Points for personal Prayer over the summer:

- Philanthropist and entrepreneur Ram Gidoomal has, for some time, been keeping up with developments at DCF and might be able to offer considerable help and advice to our new build at some point. Please pray for Ram's two older brothers, one a believer, one not, who have been struggling with Covid-19 and other health problems, following long spells in hospital. His brother-in-law went to be with the Lord on Easter Sunday through Covid-19 infection. Please pray for his widow in her grief.
- Pray for a deeper revelation of who we are in Christ so that what we do flows from what we believe about God, others and ourselves, (John 6:29).
- Pray for greater love for God and each other by the power of the Holy Spirit, who fills us with his power and love.
- Pray that we will be "vessels for God's glory", reaching out to others so that God is worshipped and glorified by more people.
- Pray that we will "Let worship be the fuel for mission's flame" (one of last week's worship songs).
- Pray that any and every effort of Satan to thwart the progress of the building and God's intended use for it will be thwarted.
- Pray that even as the church building is eventually opened we will still give out the strong message that the church is God's people not a building.
- Pray that more people would engage with the Bedazzled Facebook page.
- Pray that many young people will be keen to engage again with Bedazzled and Bounce when they open up again in 2021.
- Pray for wisdom and peace as people who were shielding decide how to proceed after 1st August, especially those needing to go back to work.
- Give thanks for the encouraging progress we have seen on the Community Church Building in recent weeks.
- Prayer for the build project: Pray for discernment for Graham as he seeks future funding to realise the vision for God's purposes in New Dawlish. Please also pray for John, as he prepares to take responsibility to complete the build, (as funds permit), bringing in specialist subcontractors for brickwork, windows & doors and mechanical & electrical installations as the next steps. Above all, pray that the whole project, and everyone who touches it, will be enveloped by the Holy Spirit.
