Cluster Meetings

Some of you may have heard about these meetings and some of you have come along. If you are unsure what they are, keep reading...

Clusters are open to anyone, regardless of whether you are currently in a Life Group. These informal gatherings alternate bi-monthly with members' meetings, and are intended to provide regular opportunities for Life groups and their leaders, to take a break from their normal pattern of meeting, and come together and receive as one body. As well as something to eat, there will be spirit-led prayer, a simple act of worship, scripture reading and bible application. Why not come along and be filled with good things as you prepare to step into the new year? Please speak to Mark or Jo or any life group leaders for more information.

The dates of the next cluster meetings are Feb 12th, April 9th, Jun 11th from 7:00pm-8:30pm and will be held in the Narthex (upstairs room) of St. Gregory's Church. There is an elevator. There will be refreshments (light supper) provided.

Please could you not bring any food or drinks into the church. The church is a sacred space for our kind hosts, the Catholic Church, and we need to respect this.
