

This is an opportunity for all **Youth & Children's Leaders, Helpers & Mentors** to attend on Saturday 30th March from 10am-3pm. At South Street Baptist Church Exeter.

This day is open to all those in churches and other organisations who want to make their communities safe and supportive places for children and young people with mental health challenges and to support those who care for them.

This study day will encourage us to think about how we might respond to the mental health needs of children and young people, and those who care for them.

There will be different seminar streams on

Eating disorders, understanding the impact of trauma, self harm & suicide thoughts & positive mental health

please book online at swbaptists.org.uk/event/mental-health-young-people-day/

Please could you not bring any food or drinks into the church. The church is a sacred space for our kind hosts, the Catholic Church, and we need to respect this.
