Thanksgiving Gift Day: It was great to be able to give thanks to God last week for all His provisions to be able to get so far with the new Hope Centre. Mark's virtual tour gave us a good idea of what it will look like when we are using the building. Please remember to give something towards the Offering before Sunday 13th December.

We are planning a short online carol service for Sunday 20th. Guy and Hazel thought it would be a good idea to include Christmas video messages from the church family. If you would like to take part, **please contact Hazel by December 4th**. Don't worry if you don't have a camera, Hazel will do the filming for you.

Carols in the car park: This CTDD event will be happening on the afternoon of 20th December. There is still a lot to plan, but we do know that we will be needing marshals. If this is something that you could help with, please contact the DCF office. Please continue to have this event in your prayers.
