Notices

There will be a lot of important information being communicated over the next few months through our services, in the notice sheet and on the website.

Please join us every Sunday morning online, via our website, so you don't miss anything. This week is Vision Sunday. Guy will be bringing us a message based on Isaiah 43: 1-3a & 18-21. We'll be looking towards the coming year, and what we believe God has in store for us at DCF.

The SLT have been working on a discipleship and teaching planner. They want their preaching to encourage the membership and 'attendees' to look forward positively into 2021, preparing them for change as we transition (at some point) into Hope Church and also a new building. The planner has set out a programme only up to Easter so that the SLT has time to finalise what the sequence and timing of engagement with the church family will be on the leadership changes, release of more people into ministry, what the activity focus areas will be and replanting into Hope Church.

"Lights, Camera, Action - Hope is Rising!":

If a movie or story was to be written about DCF's transitional journey into Hope Church and the evolving ministry and kingdom impact in Dawlish, what type of movie or story would it be? What would the events, scenes or 'acts' be like? The Book of Acts recalls how Jesus started to build His church

- it is narrative, not prescriptive, telling of the key characters, events and outcomes. The highs, the lows. Learning through good times and bad. This series is not a preaching series on Acts. Rather as we embark on our transitional and missional journey, what can we learn from the Book of Acts as we fix our eyes on Jesus and be obedient in His Great Commission? We will 'hover' and sometimes 'parachute in' on various events and characters in Acts to equip us for this journey. We are not following someone else's teaching

series, rather we are saying 'Lord what do you have for us in this context of Dawlish'? The series will be branded around the 'movie' theme, with a famous movie title or strapline (using the title only, not major on content!), imagery, language and delivery that is action and impact orientated. Each week there will be a 1 page summary note as a quick reference guide, with a 'going deeper' section to encourage further study. There will be a parallel reading plan through the Book of Acts taking us up to Palm Sunday.
