"Lights, Camera, Action - Hope is Rising!":

Gone with the Wind

Hasn't this series been exciting and challenging so far? In this week's all-aged service, we'll be looking at how our mission & ministry can be directed by the Holy Spirit, no matter where or to who we were called. Rowland will be bringing us a message based on Acts 8 v26-40. The 'Summary and Going Deeper' sheet will be available to view and download on Sunday in the service.

If you've missed any services, or any of our summary sheets, don't worry. You can catch up by visiting the "[Current Teaching Series](#)" page of our website.

In Thursday Friendship Club, we provide each member with the monthly Good News Paper. These have been delivered even through Lockdown. As from March, I am having to order an extra batch - the smallest being a bundle of 25 papers. We will not be able to make use of all these. So, if there is anyone who would like a copy, please let Ros know and it will be delivered.

Prayer this week:

Making contact with the Senior Leadership Team

Dear church family, we value the importance of ensuring open contact and dialogue between leadership teams and our members. As an SLT we have for a while been using individual email addresses to communicate with our church family. This creates a challenge that emails can get mixed with personal home emails, mislaid, responses delayed, duplicated or the volume is disproportionate from one SLT member to the next. As Andy preached in our Acts series a couple of weeks ago 'One for all and all for one', it is important that we lead and grow as a united SLT.

For all these reasons, we are introducing a new method for you to contact the SLT. Unless it relates to a sensitive Pastoral Care matter, if you have any questions or comments or requests relating to the overall running of DCF / Hope Church, matters of theology, spiritual direction, oversight and discipleship please email us on:

SLT.HopeChurch@gmail.com

Your email will go into a central mail box and when we meet we will go through the emails and allocate out which SLT member will respond. In turn they will respond to you from this email account. We would ask that you **do not** email any SLT members on their existing email addresses. We appreciate this will take a little time to bed in and if you forget and end up contacting us directly, we will forward your email to this mailbox.
