

Home Alone

Summary of Main Points

Understand the importance of:

- 1) praying for, respecting and supporting the SLT (and Deacons, Trustees).
- 2) looking after our own spiritual health especially in times of change and when on mission.
- 3) caring for others in the flock and encouraging them in their spiritual walk.
- 4) relentlessly challenge and root out ungodly conduct and disunity.

Task for the Week

- 1) Commit to praying regularly for the church leadership.
- 2) Think and pray through what you do to look after your own spiritual health. Ask God to show you where and if you need to change.
- 3) Prayerfully consider how you can spur others on within the church.

Reading Plan

Acts 21 and 22.

Going even Deeper!!

Read Ephesians, 1 Timothy and 2 Timothy and Revelation 2 and 3. Consider how Paul guided the church at Ephesus. How did he encourage them and what threats did he see to their welfare? How did he deal with the threats?
