Summer Series: As a Church we are on a journey from being Dawlish Christian Fellowship, replanted into Hope Church. During this summer season we are spending six weeks exploring some of the journeys made by Jesus in the New Testament and some of the places he visited.

These services are designed to be accessible to everyone of all ages. As we walk with Jesus we will visit Jerusalem, the river Jordan, the mountains of Galilee, Samaria, Mt Tabor and back to just outside Jerusalem. We will be encountering some of the basic themes of the Christian faith, who Jesus really is, baptism, the values of his Kingdom, the personal Jesus, the divinity of Jesus and our response to Him. So please join with us as we cover the themes of exploration, identification, education, dedication, revelation, and salvation. We may be able to make journeys of our own this summer but we would love you to connect with us whoever you are and from wherever you may be.

This Sunday's service will be led by Mark and Jo. They'll be looking at Jesus' journey from Nazareth to Jerusalem, and thinking about who Jesus really is. **Please join us, on the DCF website, as usual,** at 10:30 on Sunday morning.

We'll also be meeting up over Zoom at 12.

IMPORTANT DATE CHANGE TO CELEBRATION OF HOPE CHURCH AT ALLER

FARM: Unfortunately, due to the current likelihood of rain or thunderstorms this weekend, it has been decided to postpone the 24th of July Celebration to the new date of **SUNDAY 8th AUGUST**. The long range forecast for this new date looks more promising and we look forward meeting with you all then. This means **the Hope Church website launch will also be on the 8th of August**.

You might notice that there are references made in this week's service to 'Hope Church'. The service was recorded before the decision to postpone.

Thank you: Each week Jane Lear and Sandra have faithfully provided children’s resources online right from the start of COVID. They are now coming to their Summer Break. We just want to say a big “Thank You” for everything they have done for the young people over the last 18 months.

DCF Memory Book: Hi all, a quick update on how the DCF Memory Book is coming along. So far I have two written memories, plenty of great photos from Phil, a copy of the History of Dawlish Central Hall and some lovely pics from the family of Leon and Barbara. If you'd like to contribute, but haven't yet had time to think about it, please don't worry, entries will now be open until the end of September. The aim will be to publish the book for display in the new Hope Centre. Please email these through to me (or the church office). Thanks, Hazel.

As you know, after the 8th of August we are going to be officially known as “Hope Church”. Here’s a few things you might like to know.

Watching Virtual Church:

From August 8th, virtual services will appear on the new website. They will be a very similar format to our DCF services, but you'll need to know how to find them. The easiest way will be to go to the home page and scroll down to the 3 boxes near the bottom. You'll find a direct link to the “Virtual Church” section

of the website there. [Here's a link](#) to an instructional video (ignore the launch date!). It's designed to give a rough idea, as the screen capture is not of the finished site. **The website is due to be launched on Sunday 8th**

Giving:

Although we are calling ourselves ‘Hope Church’ after the 8th, we cannot change our name on official documentation until we have had the go ahead from the Charity Commission for the name change. **Our bank account details therefore remain unchanged.** For those who give via cheques, please continue to make these payable to “Dawlish Christian Fellowship”. We'll let you know when this situation changes. There will be a ‘Give’ page on the new website.

Zoom Meetings: Many of our prayer meetings are still happening online via Zoom. Our Zoom links will remain unchanged, at least for the time being. The name ‘DCF’ will probably still appear in the Zoom invitation links.
